Official Medal

The Mayor's Catskill Aqueduct Celebration Committee

Sub-Committee on Official Medal

New York, November 10, 1917.

To commemorate the opening of the Catskill Aqueduct a special medal appropriate to this occasion has been prepared. This medal has been designed and a model executed by Daniel Chester French.

The half-tone reproduction on the preceding page will give an idea of the beauty and dignity of Mr. French's achievement. On the obverse, in high relief, is represented the symbolic head of the City of Greater New York. Mr. French's initials, D. C. F., will be found inconspicuously beneath the neck of the figure. On the reverse is depicted a youthful but virile figure standing erect in graceful poise, holding a vase of classic form from which gush the life-giving waters of the new Aqueduct. In the back ground can be discerned the outlines of the Catskill mountains where these waters rise. Across the field of the medal is the following inscription:

TO COMMEMORATE THE COMPLETION
OF THE CATSKILL AQUEDUCT
AN ACHIEVEMENT OF CIVIC SPIRIT
SCIENTIFIC GENIUS AND FAITHFUL LABOR
1905 NEW YORK 1917

The diameter of the medal is three inches.

Ten of these medals in silver and six in bronze have been cast for presentation to those whose official positions in connection with this enterprise have well merited public recognition.

The beauty of this medal is so exceptional that the sub-committee in charge have been urged to give to art institutions and lovers of art the opportunity of securing a limited number of replicas substantially at cost. The subscription price of the silver medal has been fixed at \$25, that of the bronze at \$7. All medals will be numbered. The allotment and numbering of the medals will be made in the order of receipt of the subscriptions. The lists will close at noon on December 15th, after which date no more subscriptions will be accepted. Subscriptions must be accompanied by check to order of the American Numismatic Society and instructions for delivery, and should be sent (not to members of the Committee) but **to The American Numismatic Society, 156th Street and Broadway, New York City.**
